Special Stroke Saving Opportunities:

During **Friday's Par 3 Contest**, the player who is to tee off on a hole (#tba) for their team will have the following options:

- 1) Hit the tee shot and proceed as the normal format demands or
- 2) Ask the A.T Pancrazi Insurance Associate for help in eliminating the risk in your shot. Pay \$20 and you can proceed to hit your shot and if you don't like the result you can then place your ball on the green between the designated markers. Thus insuring the next player on your team has a makeable birdie putt.

Also during **Friday's Par 3 Contest**, for an additional \$20, each team will have the option to **re-set their player rotation one time** during their round. The re-set rotation must be done from the tee and not during the play of a hole.

All money collected from this special stroke saving opportunity will go directly to YCHS.

On both **Friday's Par 3 Contest and On Saturday's Scramble Contest**, there will be two holes placed on an assigned green. One hole will be the standard cup size and the other will have a cup size of 15" wide. Before teeing off each team will have the option to pay \$20 and they can then choose either hole in which to hole out in. If the team doesn't elect to pay the \$20 then they must hole out in the standard size cup.

During **Saturday's Scramble Contest**, each team will be given the following options on holes, #3, #15 and #17:

Hole #3 Option:

Play the hole using the assigned tees for each player or pay \$20 to have the Yuma Catholic Golf Team hit two drives and you can play the second shot from the drive of your choice. All proceeds benefit the YC Golf Team.

Hole #15 Option:

Play the hole using the assigned tees for each player or pay \$20 and ask the A.T. Pancrazi Real Estate Associate to find a better place down the middle of the fairway from which to hit your second shot.

Hole #17 Option:

Before any player tees off, the team must decide if they want to pay \$20 to be given the option to place their ball on the green in a designated spot (assuring the team a birdie putt). After making this decision, each player will then proceed to tee off. If the team paid the \$20 they then have the option to play their second shot from the designated spot on the green or take one of their players tee shot if it happens to be better/closer to the hole than the designated spot. All proceeds from this option will go to YCHS.
