Photo Release Authorization Form

From time to time, photos will be taken of students, student activities, etc. The school reserves the right to use these photos for news releases, the school's website, yearbook, school-related video and slide presentations, marketing purposes, etc. The School will allow members of the media to take pictures of students, athletic events, and other school activities for publication. The school feels that these are legitimate opportunities for students to be in the "lime light" and also promote the school.
