

Dear YC Faithful,

It is hard to believe that fifteen years have gone by since Rachel's passing. Her positive spirit and zest for life continues to brighten each of our days. One of the biggest blessings of this entire journey has been the humbling and overwhelming support of our community and the love you have shown our family over the course of Rachel's treatment, and since her passing in 2008.

Rachel's giving and fun spirit lives on through the **Rachel Determan Memorial Rib Cook-Off** each year. We're proud to announce the event will be taking place at Yuma Catholic High School again this year on **December 2<sup>nd</sup>, 2023 from 11:00am to 3:00pm**. This event is a celebration of family, food, and our community.

We've been blessed to have had many hard-working volunteers from the YC family and our community for this event. We are grateful for everyone's efforts to make the rib cook-off a staple in our community. The car show will continue again this year and we're hoping to grow it even larger. The event will also feature children's activities, music and a raffle with some great items! Families do not want to miss this event.

Like many events, the biggest challenge is to find SPONSORS to help make the event a financial success to support the team effort to promote Christ, College and Community. We have increased enrollment again this year for a total of 517 YC students! We are extremely grateful for the faithful support of sponsors who have returned year after year. Won't you help us create a lasting legacy for Rachel and the students of YCHS?

You will find the sponsor form on the other side of this letter. The Advancement Director at YCHS, Katie Ries, can provide you with all the details and a variety of ways you can support this event. Katie can be reached at 928-317-7924 or [advancement@yumacatholic.org](mailto:advancement@yumacatholic.org).

The Determan family would again like to thank Yuma for allowing us to be a part of this giving and supportive community. We are honored to help give back to through this family fun event. We hope you can take this opportunity to show your support for our community!

Sincerely,
